## TRADE BATHROOM COLLECTION 2023/24

# Celebrating Ninety Years

## 1933 - 2023

2023 marks the 90th year since Albert Moon founded BBS.

Since then the company has evolved from a general builders merchant to a plumbing and heating specialist, complimented by an excellent team of Bathroom Designers and stunning showrooms.

This latest Instinct Bathroom book contains a breadth of styles to compliment all tastes and budgets, many of which can be seen in our *Riverside Showrooms* alongside many other ranges.

We at BBS are excited to be entering our 90th year serving Bristol, Bath and the surrounding region and look forward to making the most of our anniversary year!

### 10 YEARS OF POD!

## INTRODUCING PRO

### The new in-house loyalty scheme from BBS

#### Tier One:

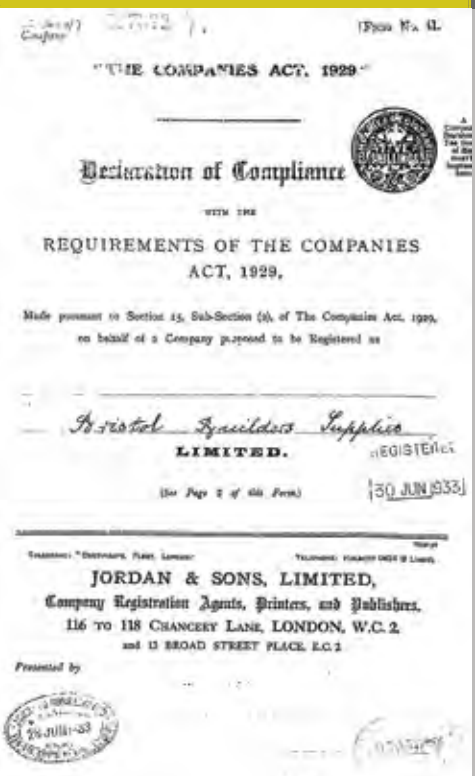

- Earn £50 for every £2500 spent
- Claim as credit or Love2Shop
- Ex/ boilers, work towards Tier Two

#### Tier Two:

- 2.5% reward on ALL spend
- Dedicated Account Manager, Event Invites, Training, exclusive offers and more!

To apply for the scheme email [pro.rewards@bbsplumb.co.uk](mailto:pro.rewards@bbsplumb.co.uk) or talk to your Branch Manager or local Business Development Manager

Terms and Conditions apply

## There's so much to celebrate

For 10 years Instinct has delivered a comprehensive quality range of bathroom, plumbing and heating products sold exclusively by a select group of leading regional merchants & showrooms across the UK.

Ever since its inception the Instinct brand ethos has always remained true to its principles.

Deliver high-build quality products

---

Products to be well designed and engineered

---

Products to be styled by leading industry designers

---

Products to incorporate cutting-edge technology where possible

---

Products must represent good value

---

Products to be supported by all necessary regulatory requirements

---

Whether you are looking for something to complement your existing or new bathroom, the Instinct product portfolio will inspire a high-quality bespoke solution for you.

**Now isn't that worth celebrating.**

## We've got you covered

Welcome to the Instinct Pro Bathroom Collection 2023/24. A comprehensive quality range of bathroom products designed with the Consumer and Installer in mind.

### Designed for performance, quality and reliability

Our new Instinct Professional brand, which replaces the Trade Instinct brand, offers trade customers an excellent choice of bathroom products for everyday projects.

The Instinct Pro Bathroom Collection will provide you with a wide choice of bathroom storage, bathroom taps, sanitaryware, showers and so much more. Our range of products are available in a variety of colours and finishes to help you create your new bathroom or complement your existing space.

At Instinct Pro we believe in quality manufacturing and pride ourselves in providing a range of bathroom solutions that are well designed, engineered and represent good value for the Consumer and Installer.

If you are looking for a cost effective bathroom solution for a range of domestic installations, the Instinct Pro product portfolio can provide the answer for you.

## Bathroom Storage Features

There are many features in our bathroom storage range. Use the icons to help choose the right option for you.

### Guarantees

All our modular furniture comes with a five year guarantee.

### Soft Close Doors

Soft close doors for a smooth, quiet closing action.

### Soft Close Drawers

Soft close drawers for a smooth, quiet closing action.

### Internal Shelf

Built-in shelf to keep everything in its place.

### Quick Release

Easy to operate quick release hinges allow fascia panels to be lifted away easily, leaving clear access for maintenance or to clean hard to reach surfaces.

### Reversible

Furniture doors are reversible for left or right hand applications.

### Plumbing Void

Built-in plumbing void for easy access and repairs.

### Basins

Floor Standing and wall mounted basin units come with a one taphole basin.

## Sanitaryware Features

There are many features in our sanitaryware range. Use the icons to help choose the right option for you.

**Rimless**  
Rimless flushing, hygienic and easy to clean.

**Comfort Height**  
The comfort height option sits several centimetres taller than standard WCs.

**Short Projection**  
Space saving short projection pans, ideal for small washrooms.

**Air Gap**  
Provides an air space between your tank's water level and your municipal refill line to ensure that cross contamination and back-siphonage is impossible.

**Right Hand Flush**  
Ergonomically positioned cistern handle for convenient flushing.

**Full Flush Volume**  
The total volume of water discharged from the flushing system during a flush cycle.

**Dual Flush Volume**  
The dual flush allows you to save water while providing you with the flexibility to choose between a water saving 4 litre flush or a standard 6 litre flush.

**Eco Dual Flush Volume**  
A more effective water saving flush volume. The dual flush allows you to choose between a water saving 2.6 litre flush or a standard 4 litre flush.

**Quick Release**  
Easy to operate quick release hinges allow the seat to be lifted away easily, leaving clear access to clean hard to reach surfaces.

**Top Fix Hinges**  
Some seats feature a special 'top fix' hinge allowing them to be quickly and easily installed on modern WC pans.

**Soft Close**  
The hydraulic hinge mechanism ensures controlled and quiet closure of the seat lid and ring.

# Comfort Height Pan. Short Projection Pan. What's the difference?

## Comfort Height Pans

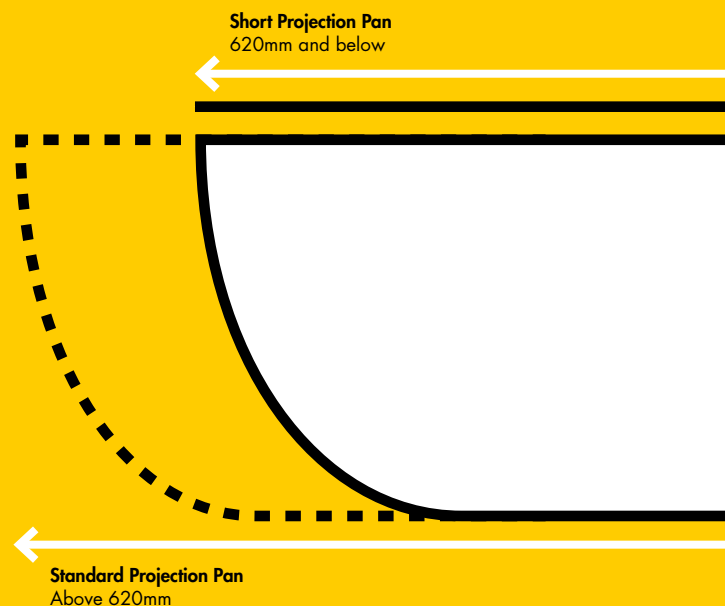

Comfort height pans are designed to ensure that the bowl and seat height is such that they make for comfortable use. Typically comfort height pans are 450mm and above (standard height pans are approximately 400mm in height) and can be particularly useful for the elderly and people with mobility issues.

## Short Projection Pans

A short projection pan means that it has a shorter depth than standard, and therefore does not protrude as far, taking up less floor space. Typical short projection pans are 620mm\* and below (standard projection pans are typically above 620mm). A short projection pan is ideal for a small bathroom or cloakroom suite.

\*620mm is relevant to Close Coupled suites. Below 500mm is considered short projection for Back to Wall and Wall Hung Pans.

Please look out for the comfort height and short projection icons in the following sanitaryware pages. Alternatively, use the range selector on page 25 and discover which of our Instinct Sanitaryware have comfort height and short projection pan options.

Dimensions – 44(h) x 368(w) x 417-451(d) mm

108051000

£17.00

## Ultra-Fix® – How Does it Work?

### 1. Finned bushing

Eliminates the gap in the mounting hole, preventing hinge movement.

### 2. One-piece nut

Provides superior clamping force, is easy to install, no additional parts to fit and no corrosion.

### 3. Shear point

The bottom of the nut breaks off at the optimum tightening torque, indicating a perfect installation.

## Flushing Features

There are many features in our flushing range. Use the icons to help choose the right option for you.

### Guarantees

All WC frames, concealed cisterns, flush plates, flush buttons and contactless flushing products come with a five year guarantee. The compact concealed cistern comes with a one year guarantee.

### Back To Wall Pans

Can be used for back to wall pans.

### Wall Hung Pans

Allows wall hung pans to be used.

### Wall Hung Bidets

Can be used for wall hung bidets.

### Air Gap

WRAS approved Air Gap inlet valve included.

### Dual Flush Volume

The Dual Flush allows you to save water while providing you with the flexibility to choose between a water saving 3 litre flush or a standard 6 litre flush.

### Easy Install

Our concealed cisterns and WC frames are designed for easy maintenance and installation.

### Insulation

The Instinct concealed cistern jackets are fully insulated.

### Contactless Controls

Infrared switch allows control with the wave of your hand.

## Cabinets + Mirrors Features

There are many features in our cabinets and mirrors range. Use the icons to help choose the right option for you.

**LED Lighting**  
Energy efficient LEDs provide high quality bright light.

**Contactless Controls**  
Infrared switch allows control with the wave of your hand.

**Touch Controls**  
Multi function touch control with on/off functionality.

**Heated Demister**  
Integrated heated demister pad for a steam-free mirror reflection.

**Charging Sockets**  
Keep your electric shaver, toothbrush and electronic devices fully charged.

**IP44 Rated**  
Cabinets and mirrors are protected from water spray from any direction.

**Internal Shelves**  
Built-in shelves to keep everything in its place.

## CCT

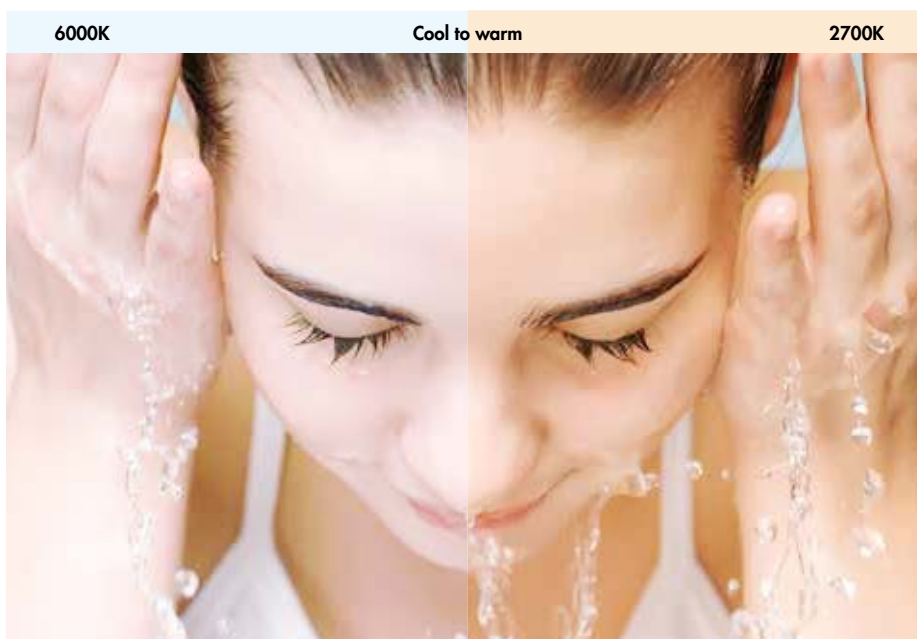

### CCT Control

Transform your space with ingenious Colour Changing Technology. Invigorate your morning with bright, crisp daylight or wrap yourself in a soft, warm glow as you spend an hour relaxing in the bath. With a wide spectrum LED ranging from 2700K-6000K\*, you can easily shift your Instinct cabinet or mirror lighting from bright and white to warm and intimate at the simple touch or wave of the hand.

\*Light temperatures ranges from 2700K (Warm White) to 6000K (Daylight White)

Transform your bathroom with ingenious technology found within the Instinct mirrors collection. Scan to help you find the features which are important to you when selecting your new mirror

## Kitchen Taps Features

There are many features in our Kitchen Taps. Use the icons to help choose the right option for you.

5

10

**Guarantee**  
Kitchen Taps come with either a five or ten year guarantee.

Min  
0.1 Bar

Maximum Operating Pressure

Suitable for a system with low water pressure.

Max  
6 Bar

Maximum Operating Pressure

Suitable for a system with high water pressure.

LP

MP

HP

**System Pressure**  
Recommended minimum system pressure.  
Low Pressure at 0.1 Bar, Medium Pressure at 0.5 Bar, High Pressure at 1.0+ Bar.

Flexible Hose

Supplied with flexible hose for easy installation.

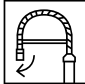

Flow Straightener

Supplied with flow straightener outlet option.

Flow Aerator

Supplied with water saving aerator outlet.

Pull Out Spout

Pull out spouts feature a spray head that can be pulled directly out of the tap body.

Backnut

Supplied with a metal backnut.

Single Flow

This single tap style mixes hot and cold water in the body of the tap.

Dual Flow

This tap keeps the flow of hot and cold water separate in the body to prevent uneven pressure.

Flow Rate – X.X l/min

Flow Rate

Flow rate shown is based on testing conducted against published pressure using the following criteria.  
LP at 0.2 bar. MP at 0.5 bar. HP at 3 bar.

Fast Fix

Fast Fix

For a quick and easy installation that allows assembly by hand, without any tools.

Cold Open

The cold open cartridge system ensures mixer opens with cold water only avoiding the unnecessary use of hot water to deliver energy savings.

## Shower Features

There are many features in our shower. Use the icons to help choose the right option for you.

**Minimum Operating Pressure**  
Suitable for a system with low water pressure.

**Maximum Operating Pressure**  
Suitable for a system with high water pressure.

**Fast Fix**  
For a quick and easy installation.

**Single Outlets**  
These shower valves supply water to just a single outlet such as a fixed shower head or hand shower.

**Twin Outlets**  
Come with two separate heads, allowing you to enjoy the most relaxing shower possible.

**Thermostatic Valve**  
Thermostatic control means the temperature of the water is regulated to prevent any nasty hot or cold surprises if someone else in your home is using the water.

**Cool Touch**  
Featuring safe touch valve bodies and anti-scald thermostatic technology.

**Slide Rail Kit**  
Consist of a shower head, a shower hose and a rail on which the shower heads slides up and down.

**Telescopic Rail Kit**  
Consist of a shower head, and a rigid riser rail on which the shower heads moves up and down.

**Single Function Handset**  
A single spray function is available on this shower head.

**Multiple Function Handset**  
Multiple spray settings are controlled individually on these shower heads.

**Water Resistant**  
Our shower curtains are made from water resistant fabric.

**Easy Clean**  
Designed and manufactured to present easy cleaning ability to ensure your shower curtain lasts.

**Machine Washable**  
To keep your shower curtain fresh and clean, machine wash at regular intervals.

**Made from Polyester**  
The Instinct Pro shower curtains are made from 100% polyester.

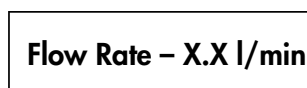

**Screw Action for Secure Fit**  
Unique screw action ensures a secure fit. Firm, self supporting rod, easy to fit, no tools required.

**Rub Clean Nozzles**  
Shower heads with rubber rub clean nozzles. Rub the nozzles with your finger or a toothbrush to loosen any deposits.

**System Pressure**  
Recommended minimum system pressure.  
Low Pressure at 0.1 Bar.

**Flow Rate**  
Flow rate shown is based on testing conducted against lowest published pressure or using the following criteria. LP at 0.2 bar. MP at 0.5 bar. HP at 3 bar.

**Hose Type**  
Instinct Pro shower hoses are available in three flexible finishes. Reinforced Stainless Steel, PVC and Smooth. Replacement washers included.

**Hose Bore Size**  
Instinct Pro shower hoses are available in different bore sizes.

## Find your perfect shower

Within the Instinct showering collection we have created a range of stylish systems which bring performance, design and engineering to your bathroom.

Choose from our range of bar, concealed, mixer or traditional shower systems to suit your needs. We have single or twin outlet systems, and new for this season push button bar showers which allow for your easiest showering experience yet. Simply set and forget your desired temperature and flow, and the next time you hop in the shower your perfect shower is a push of a button away.

Call into your nearest branch and pick up this season's Instinct Bathroom Collection brochure to find out more.

Scan below and take a look at the new Andros, Hemsworth Lever and Ios showers available this season.

Andros Bar Showers (Push Button)

Ios Bar Showers (Push Button)

Hemsworth Lever Bar Showers

Hemsworth Lever Twin Outlet Thermostatic Bar Shower Mixer in Brushed Brass

Andros Square Twin Outlet Thermostatic Bar Shower Mixer (Push Button) in Chrome

Traditional exposed systems for a timeless design

Push button systems allow for an easy showering experience

## Shower Enclosure + Shower Seat Features

There are many features in our shower enclosure and shower seat range. Use the icons to help choose the right option for you.

**Lifetime Guarantees**  
Instinct 6 shower enclosures all come with a lifetime guarantee.

**Glass Thickness**  
All our shower enclosures feature toughened safety glass. Safety glass is around five times stronger than normal glass.

**Reversible**  
The shower enclosure is reversible for left or right hand applications.

**Magnetic Door Strips**  
Magnetic seals provide a water tight seal on shower enclosure doors. These seals have sufficient magnetic strength that latches are not required.

**Easy Install**  
Shower enclosures designed for a quick and easy installation.

**Easy Clean Glass / Seats**  
Designed and manufactured to present easy cleaning ability to ensure your shower enclosure or shower seat lasts for many years.

**Weight Limit**  
Shower seats are designed to safely hold a maximum weight limit.

INCNT003ST-ZWS Straight Valve £72.00

INCNT003AP-ZWS Angled Valve £72.00

## Going green

We, as Instinct, have a responsibility to the environment. Our aim is to have 100% recycled packaging and continue to work with industry bodies to help customers use their water more efficiently, therefore reducing energy bills and ultimately carbon emissions.

Where required our Instinct products are individually and legally tested to ensure compliance with CE and UKCA Marking. This not only covers material quality but also lifecycle, product impact testing, water integrity and traceability of manufacture.

When it comes to the paper used in the production of this brochure or the wood used in our Wall Panels and Furniture, we have sourced as many products as possible with an FSC® (Forest Stewardship Council®) label or PEFC (Programme for the Endorsement of Forest Certification) accreditation. The FSC® label guarantees that the product originated from managed forests, recycled paper or a combination of both. Products carrying the FSC® label are independently certified to assure that they come from forests that are managed to meet the social, economic and ecological needs of present and future generations.

As a brand, Instinct is committed to protecting the environment and is constantly exploring ways it can improve on this.

**Small steps, big change.**
